I was quite flattered to be selected for this month's issue. I had a great time at the shoot and I hope you like the pictures. I had worked out for six weeks before this and abstained from sex, too. That whole time. That made me really horny when shoot time came and I was all over my pussy. I must have cum like five or six times in an hour!

THE MAN CAVE

REVENGE
SERVED SWEET

PUT ON THAT SMOKING JACKET YOU HAVE STUFFED AWAY IN THE BACK OF YOUR CLOSET. PULL OUT THAT VINTAGE SMOKING PIPE OF YOUR DAD'S AND KICK BACK IN YOUR FAVORITE RECLINER AND ENJOY A READ LIKE THE DAYS BEFORE THE INTERNET. NOTHING IS MORE EXCITING THAN TIME ALONE WITH YOUR IMAGINATION.

Late one weekend night, my ex-wife Ginger, came visiting. We sat back in my favorite room and began discussing our new romances. We had split about a year ago, but lately we've been talking more, getting back to some of the things we found attractive in each other. A couple years ago all we could find was ugliness in each other. Time helped to mellow us out.

She confessed that one night she let her roommate's boyfriend, Scott, fuck her. But that was supposed to be the end of their little affair. Apparently her roommate Ellen, saw them and now she wants Ginger to do something for her. My ex started to tell me how Ellen played her cards. She told me that she was taking a bath when Ellen walked in without knocking. I yelled out but without hesitation, Feeling a bit uncomfortable by my roommate's hands on me, Ellen moved in closer and said: "The other

day he told me he'd really like to get to know you better, but what I think her really meant was that we wants to get in your pants."

I looked at her and said: "I've got a boyfriend?"

"Well, that didn't stop you from fucking my man, now did it." She hissed in my ear. So Ellen really did see us. "What are you talking about?" I pretended. She tightened her grip on my shoulders. "I saw you two." I told her she was wrong and had no proof of it. "What would your man say if I told him about it and showed him the picture I took of the two of you fucking?"

I have met Ginger's current man a couple times and seems like a nice guy. Ginger now knew she was in trouble. She said Ellen

let her go, and put her hands into the bathtub's warm water. Ginger continues with her story... "One hand found my boob and took hold of my nipple. Ellen then paused for a moment, tightening her pinch on my nipples. I told her to stop in mild protest, but Ellen did quite the opposite and pinched a little harder."

"What do you want from me?" I asked, grabbing Ellen's arm in the water. "Let's not call it revenge, dearie, but I want some bed time with your man." I thought, that fucking bitch saw everything, now she wanted to do my boyfriend. Ellen was turning my nipples even harder. Strangely, I liked every second of it."

"I don't care how you make him do it. Just do it." she said.

I couldn't believe my ears when Ginger told me that. "What do you think I should do?" she asked. "I really don't know." I responded. "Do you want to fuck someone else? That would make two indiscretions on your boyfriend." I said.

Ginger looked me in the eye with a surprised look on her face. "Don't tell me you're seriously considering giving Ellen what she wants." I said. "But she has pictures of me. If my man were to see them, he'd really be hurt and that may be the end of our relationship." she said sadly. After another couple hours, we came upon an idea that might work: Get her boyfriend on our side. When we told him about the little problem with Ellen, he was quite irritated, but he quickly came up with a plan. "Suppose you (looking at me) and Ellen got together. We could do the same to her, but with video." he suggested. "Do you mean I should fuck her?" I asked, looking for clarity.

"It would be evidence." he continued. "If she tries to blackmail Ginger again, at least you'll have something on her. Ginger, you

could threaten to publish it on the internet or social networks." Ginger and I looked at each other. Her eyes begging me to do it. I agreed, not too reluctantly, I might add. Ellen is a bit of a hottie. A sexy redhead with an occasional temper to match her fiery looks. Later that night we would make arrangements for the weekend, when Ellen would come over for her little fuck-fest. The premise

"Your turn." she said turning to me. "Strip! I removed my pants and shorts, and my hard dick jumped up and pointed at Ellen.

was a party so Ginger could fulfill her promise to Ellen.

Set for Saturday at the girl's flat, about ten people were invited, including our usual cast of fuckers. Ellen walked into the room and I saw her for the first time that night. Nice tight jeans that accented her round ass perfectly, tight top and pretty eyes. "Hi there, you." she said when she came in. I could tell Ginger was nervous. They greeted each other distantly. We sat down and had a cup of wine first, as if this was just a regular visit. After the second glass, Ellen said: "Let's go to the bedroom!" We had to fuck in the bedroom because the camera was there. I put the camera out of sight, but it was at such an angle that most of the room would be in the picture. Ginger and I walked to the bedroom. I turned on the hidden camera we hoped would be the answer to Ginger's problem.

Ellen walked in a moment later and started barking out orders. "Ginger, I want you to sit in that chair in the corner and watch everything we do." Ginger sat down on the chair. Ellen continued: "No, you need to be naked. Get undressed." Ginger started to reluctantly undress herself. She pulled her sweater over her head, and then removed her bra. She unbuttoned her jeans and

pulled them down with her underwear at the same time. She sat down and removed her socks. Now she was completely naked, sitting in the chair waiting to see what was to unfold.

"Your turn." she said turning to me. "Strip!" I removed my pants and shorts, and my hard dick jumped up and pointed at Ellen. She touched my dick, which gave a shiver down my spine. "Now, undress me." she demanded. Her big breasts were held in a tight bra, her nipples were visible through the fabric. I removed her jeans then her socks. I saw her tightly trimmed pubic hair as she pulled her panties down; and finally saw her pussy in all its glory. She moved back on the bed and lay down on her back, her legs spread invitingly. She demanded I come closer. I crawled towards her, my dick bouncing up and down. I started to lick her pussy and lapped away, enjoying every lick. Ellen had her eyes closed, enjoying every moment of it. The tip of my tongue licked her clit, then I put my tongue in her pussy as deep as possible. This I repeated for about five minutes as Ellen flooded my face with her juices.

Ellen looked at Ginger. "Enjoying the show?" Ginger was still sitting on the chair. I hadn't thought about her since I started to suck pussy. Ginger held her knees close to her breasts and tried to keep her pussy from view. She opened her legs a little bit. "Wider," Ellen demanded. Ginger opened her legs wider. We could see her pussy was soaking wet. Ginger started to play with her clit. Ellen and I enjoyed the show as Ginger was really getting in to it. Her fingers furiously caressing her clit.

Ellen started stroking my cock. She took it and wrapped her fat lips around it. God, I thought I was in heaven. I was glad Ginger was caught fucking that night by Ellen and very glad that we had ended up here. After sucking me off for a while, Ellen wanted me to fuck her. She got on all fours, and I saw her perfect ass staring back at me. I put the tip of my cock at her hole, and then moved into her very slowly. I inserted my man-meat into her until it was all the way in her soaked slit. I held it that way for a moment, getting used to her velvet pussy walls. When

I heard Ginger moan, having another self orgasm, I started to fuck Ellen harder.

Ginger was watching but she got up and walked towards the bed. She slapped my ass until my buns were red. She sat behind Ellen and me and started to caress Ellen's puckered hole. She inserted a finger up her butt. I was fucking Ellen and she was definitely enjoying the whole thing. I spurted a huge load of cum into Ellen and she came at that moment. Ginger furiously pumped her

finger in Ellen's butthole like a woman possessed. She continued until Ellen came again and collapsed onto the bed.

Ellen pulled herself up and looked at us. She was still giving us the superior look, as if she still had the power. "Well bitch, I guess I just used you." she said. "So, you got what you wanted, now give us the photo's," Ginger said with a stern voice.

"You didn't think I would bring them here, did you?" said Ellen. Ginger yelled back at her, "You bitch, you're not keeping your word. So..."

"So what would your man think if he saw you fucking me?" I said. "What if he saw the video we just made? Take a guess," I smiled. Ellen's face turned sour. "You didn't..."

Ginger started to laugh as she pointed to the camera hidden on the shelf. "Your boyfriend helped us hook this up and he's been watching the whole time. I wonder what he was thinking as we were fucking you?" I said with a grin. To our surprise Ellen broke out in a big spontaneous laugh and said "I hate you guys, and him too. Where is he?" We said he was in the other bedroom and, he was naked. Ellen jumped up and left us for him.

MANDY, OH MANDY, I LOVE TO EAT YOUR...

Last year I was dating a hot eighteen year-old woman-girl who had long dark hair, beautiful blue eyes, and an extremely pretty face. I have to admit, even now, our sex life was always fun and often adventurous. One time, during a hot summer day in Phoenix, we were at my house, just hanging around. The heat was pretty intense outside and in, so our energy level was low. They call me JD and Amanda had crashed on my bed while I did the dishes from the day before. After I finished, I went to see if she wanted to do something and when I got to my room my energy level immediately jumped up.

Mandy, as I call her, was propped up against the headboard thumbing through a magazine with her T-shirt pulled up. I stopped in my tracks and took in the sight. She had the most perfectly shaped, firm breasts I have ever had the pleasure to see, and play with. Even with the air conditioner going, there was a light coat of sweat covering her chest that made

them shine from the sunlight passing through the bedroom window. At that point, I didn't care about the heat. All I wanted was Mandy.

I went over to her and climbed on the bed next to her. I leaned in and gave her cheek, then her nipples soft kisses. That brought a smile to her face. Then I started making little circles around her nipples with my tongue. She closed her eyes and

softly moaned. Amanda loved having her boobies sucked. She took the hand that was pinching her nips and pushed it down toward her pussy. I sucked her nips some more and began to rub her pussy through her shorts. Next, I gave her a long deep kiss, then I proceeded to slide my tongue down her neck, between her boobs, then down to her shorts. I gently removed her shorts to expose her perfectly shaved pussy.

Starting from her calf, I slid my hand up the inside of her leg. Knowing how much I love to eat her pussy, she started to squirm, trying to get me to hurry up. When I finally did reach her pussy, it was absolutely drenched. That brought a smile to my face. I licked and sucked her clean. Amanda had the best tasting pussy in the world. I loved it, and so did she. I ran to the bathroom and took a vibrator from one of the drawers. Before I went back into the room, I told her to close her eyes. She giggled nervously. I pulled Mandy's legs off the

edge of the bed and knelt down on the floor between them for easy access to her hairless pussy. I turned on the vibe and touched it to her pussy lips. Then I opened them with my other hand and touched the buzzing vibe to her clit.

She giggled, saying it felt really good. That changed when I slid the entire vibe quickly deep into her wet hole. She gasped. Then I quickly pulled it out shoved my tongue into her pussy, and sucked up her juices. I did this three or four times before she told my to put it away and come into the bed. I pulled my shorts off releasing my rock hard cock. I teased her a little by rubbing the head of my cock against the outside of her pussy. Anxious for a fuck, she grabbed it and shoved it into her hot box, giving me a scolding look because I took too long to put it in. So I jammed my cock all the way in and her head flew back against the headboard. Yes, it's padded. That afternoon, we fucked on the bed, on the floor, standing up and sitting down.

Finally we took a shower together, taking turns washing each other. We fucked in there too until the hot water eventually ran out. Mandy and I went to the movies that night and afterwards had dinner out at a local pub. As the summer months ended went by, we eventually had to go back to college. I hope Amanda reads this and gives me a call. I'd love to kiss her breasts once again.

FRONT SEAT LOVING

Hi there, I'm Erick and Candace and I were on a road trip to Dallas from OK City. We like taking these types of road trips because there's nothing like the feeling of the wind through your hair. Yes, I have a convertible. It's nothing fancy, just a 2008 dark blue Ford Mustang. As we always do on these little day trips, neither of us wear underwear. Can you guess why?

Today, It's pretty warm so we're both in loose-fitting clothes. Candace's shirt was sleeveless, and her tits were pretty exposed since she only had one button closed. The breeze flapped around the material giving me, and anyone else, quick glimpses of her full boobs. She had her jean shorts undone and opened in a deep V that stopped just above her pubic hair, nicely trimmed, I might add. She would adjust herself in her seat, exposing her pussy lips for a moment, then readjusting to cover them up. I know she was doing that to excite me just as we reached a busy stretch of southbound I-35.

I was already pretty hard and she was making my cock throb even more. Reading my mind, she decided to prove that she was just as turned on as I was. In a heartbeat she had pulled off her shorts and turned towards me and raised her left leg onto the back of my seat. Well, that exposed her pussy

right in my direction. She rubbed it a few times, getting it primed for someone's fingers, hers or mine. I couldn't resist probing it with my right hand. Had to keep the left on the steering wheel! First one, then two fingers. She was soaking wet, and her fluids were slowly sliding down her thighs. Leaving my two fingers in her, my thumb went to work on her clit. She twisted and squealed and thrashed, but she did not push me away.

It was hard not too look but I had to be mindful of the freeway traffic and, of course, the speed limit. As I looked over at her one time, I noticed a long-haul semi pulling up alongside in the passing lane beside me. But he wasn't passing. I'm now doing at least 65 miles an hour and this dude is looking right into my car. That's when Candace decides to reach over the stick shift. Before I could stop her, and while I was still struggling to control the car, she had my shorts down to my knees and had swallowed my cock!

The semi slowly pulled forward, the driver giving me a thumbs up and pulling twice on his air horn as he continued by. I was about to completely lose it, but I knew I couldn't drive under these circumstances. Assuring her that I loved what she was doing to me, I frantically pulled into the next rest stop a few miles later.

The parking lot was full, but we didn't

care who saw what was happening. I pulled way over to a more secluded corner at the end of the parking lot. After we stopped, I pulled Candace's pussy to its rightful resting place, straddling my cock. She pulled both of our shirts open and rubbed her boobs against my chest. The feeling was sublime. She hungrily attacked my mouth as she humped on me and soon we both rocked to orgasm. We panted in each other's arms for a few minutes, pulled our shorts back on, and drove away, headed to the big D.

THREE-PLAY

Francis, a good friend of mine arrived at the restaurant with the cake and a bottle of champagne. My long time boyfriend, Stefan, and me, Shane, were having a celebration for our graduation from college. There were about twenty people there and we had a great time drinking and dancing until around midnight when they decided to kick us out. We left and drove to her place.

The two hours of reminiscing went quickly as we sat on her bed and finished off the champagne. At the end, our conversation turned to famous female actresses we'd like to be stuck on a deserted island with. My choice was Marilyn Monroe; Stefan said he liked Elke Sommer; and then asked Francis. To our surprise, she said Katherine Hepburn who wasn't known as a sexpot. Stefan asked if it was because of her famous boat ride with Bogart or because she may have been gay. Afterwards, Francis smiled and didn't

say anything.

Her silence shocked me a little. I had no idea that Francis could have been attracted to women. While I was getting to know her better over the preceding months, I had become very attracted to her but never said a word. I never thought we would actually get involved sexually, but here was my chance, I thought. Stefan continued to ask her more probing questions as I started running my fingers through her silky hair. I was so excited, I was almost having a hard time breathing!

Suddenly but slowly, Francis turned and kissed me, tentatively at first, then quite passionately. Her tongue played with mine and I was in heaven. I was trying to take it slow because I didn't want to scare her, but she grabbed my hand and put it on her breasts. Okay, I thought, this is really it. I pulled off her shirt and then her bra. I rubbed her firm young boobs and sucked on each nipple until they were hard. She took off my shirt and fondled mine in return. By now Stefan had found a comfy section of the bed's real estate and was watching us.

When I reached her belly, I pulled off her pants and cotton panties. I pushed her back on the bed and lay on top of her while I kissed my way down her body. She didn't have any hair down there, which kinda surprised me, but made it easy to see her wetness. I rubbed her juicy pussy, then I licked it. She pinched her own nipples and cried out as I continued licking and sucking that sweet pussy while

I finger-fucked her. She then grabbed my head and pushed my face deeper into her pussy. I obliged by inserting my tongue as far as it would go.

In my sexual heat, I temporarily forgot about Stefan since I was so into eating her pussy. I felt him pull my pants off from behind so I lifted my ass into the air. His rock hard cock was now pushing against my love hole. He pushed it in and fucked me from behind while I ate Francis's pussy. She bucked her hips and loudly cried out that she was cumming. I furiously licked her until she had finished. Then I lay down next to her and kissed her so she could taste her pussy juice on my tongue.

Stefan proceeded to kiss Francis, too, then sucked her perky boobs. I took his cock and introduced it to her mouth. She eagerly sucked on it for several minutes until I pulled it out and pushed it into her juicy pussy. I grabbed his ass from behind and pushed so his cock went deeper. Then I grabbed his flopping balls and pulled them back and down. He moaned in pleasure and pumped her harder. She moaned for Stefan to fuck her harder. He happily obliged, ramming his cock in and out of her wetness. What a screamer she was.

Finally she came hard as I sucked hard on her nipples and played with his balls. He pulled out just in time to splooge on her tummy. I moved my head down to lick it up. He backed off her and fell on the bed. We all decided that this was the best graduation present.

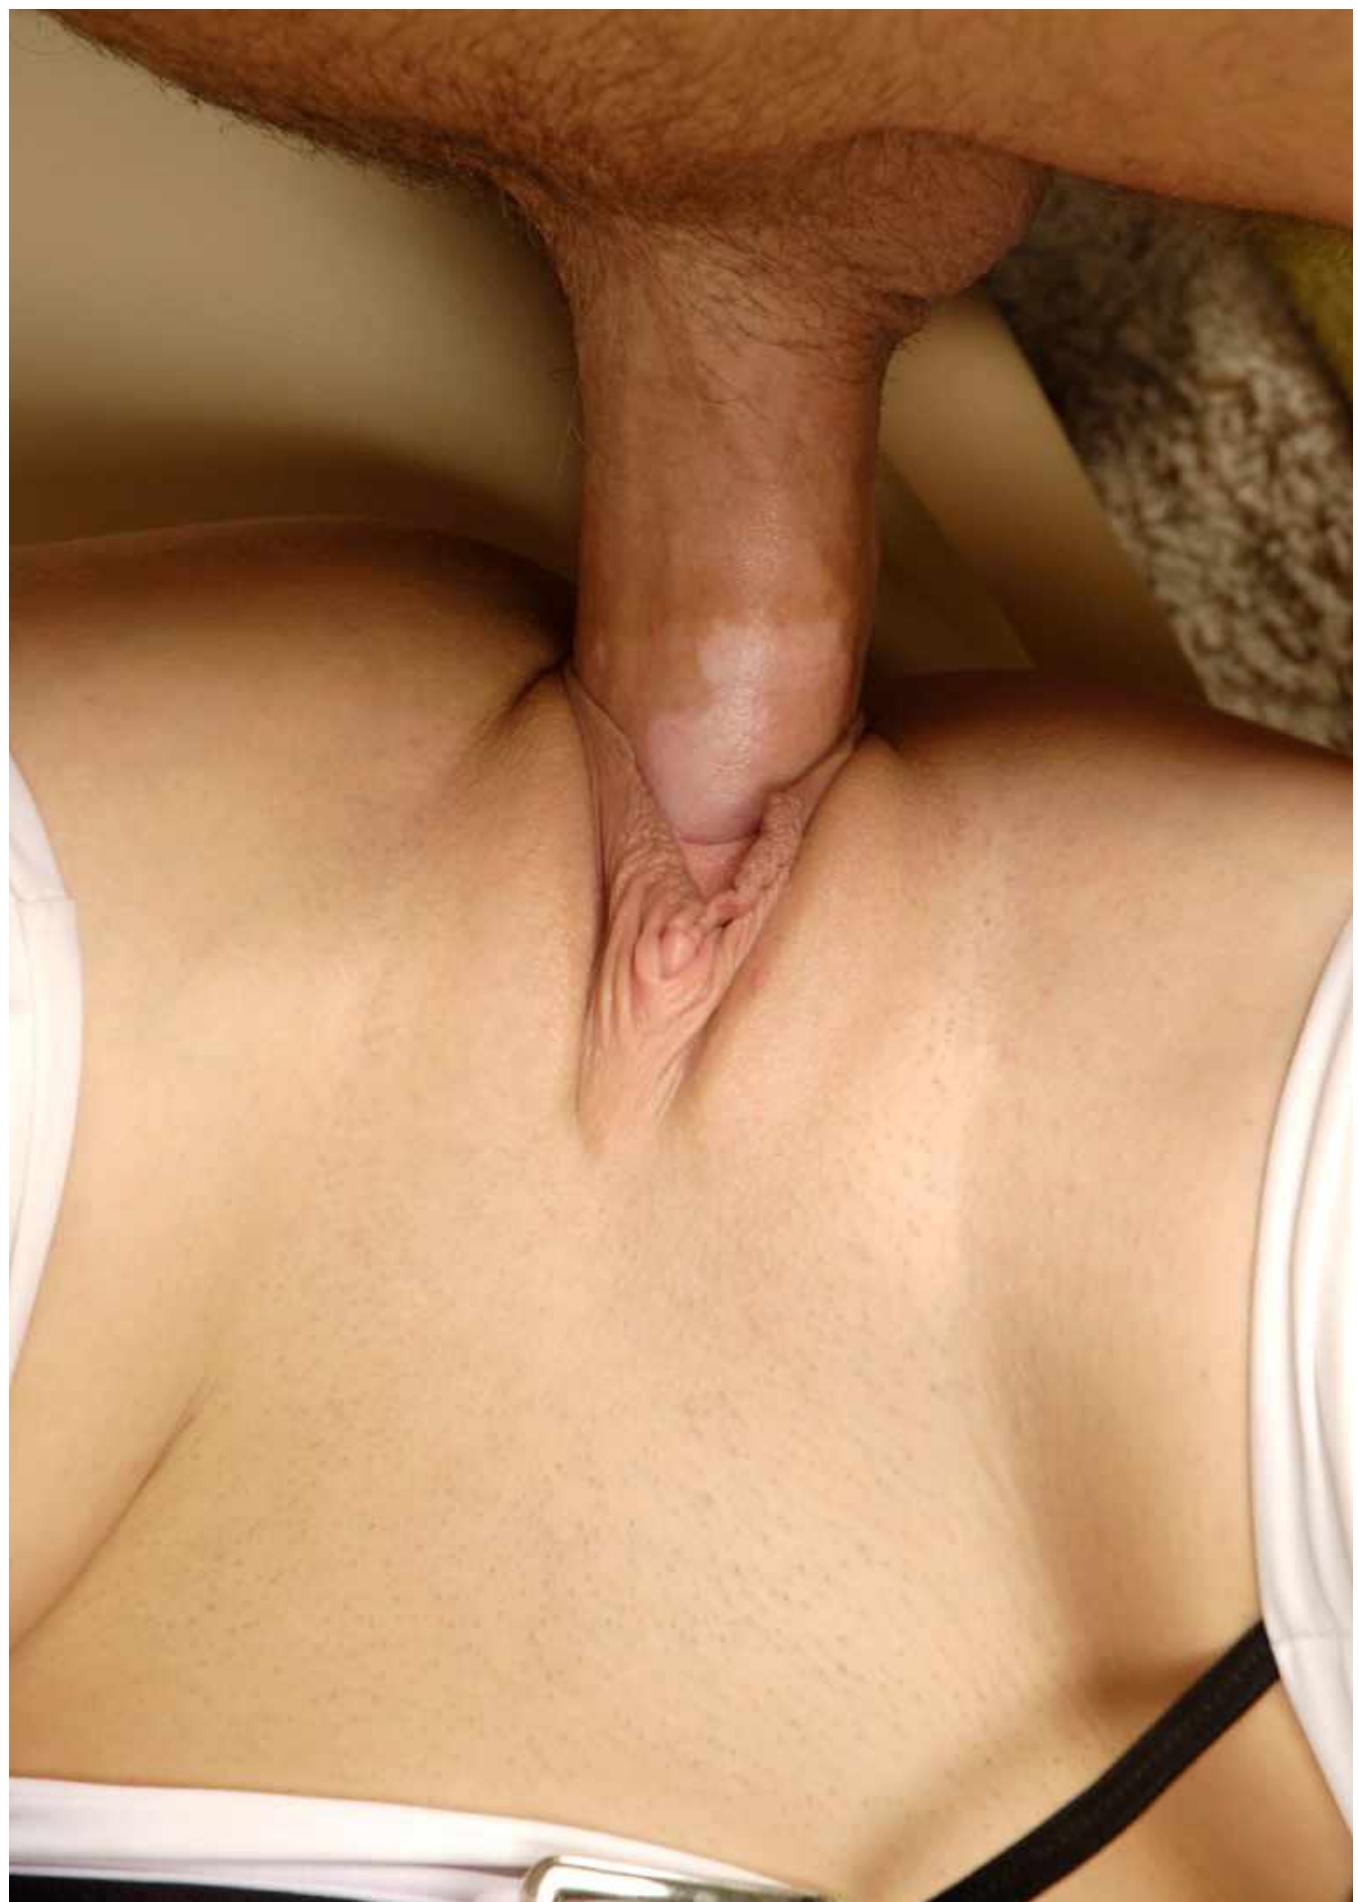

MISSY MONROE

Guys get nervous around me when they discover what I do for a living. I can handle it but some guys can't. Guys who are respectful of that can get a long way with me. No talking down to me or bashing my business allowed. I find the more mature men come with a little age on them and that's a very good thing.

HANNA HILTON

Hanna confesses that she loves sucking dick. "Just the feel of a hard cock in my mouth gets my juices flowing," Hannah explains. Her mammoth breasts spill over the top of her corset, and she tweaks her nipples as she speaks. "I can cum just from sucking dick! I don't even have to touch myself! Of course, I like doing that, too, or when a guy fingers me while I'm blowing him. 69 is my favorite number!" Ours too, Hanna!
